FAFSA (Free Application for Federal Student Aid) must be submitted in order to be considered for all types of financial aid, including PHEAA state grants, institutional aid, and federal work-study. The FAFSA form is also used to determine eligibility for federal student loan programs. FAFSA may only be submitted *after* January 1st.

1. Sign up for a PIN from the U.S. Department of Education. This will allow you to complete and sign the FAFSA online as well as access your financial aid information. Request a pin at <http://www.pin.ed.gov>. **YOU SHOULD DO THIS NOW.** Your pin is your electronic signature, so student and parent need to each receive a pin.
2. Students can download a copy of the FAFSA worksheet from the studentaid.ed.gov web site under the other publications link.
3. If you are attending, you will need to complete the "FAFSA on the Web" worksheet in advance to the best of your ability and bring completed 2010 taxes from parents and students if applicable. If your 2011 taxes are not complete you can estimate with the following: W-2s, 2010 taxes, last pay stub from 2011 using YTD figures.
